PROFILE

Passionate about design and driven by a desire to explore creativity, I specialize in crafting minimal and practical applications that enhance user experiences. My enthusiasm for coding stems from a combination of analytical skills and a penchant for learning diverse languages at a young age. Committed to leveraging my skills to contribute meaningfully to innovative projects, I am dedicated to delivering high-quality, user-centric solutions.

SKILLS

HTML, CSS, SaaS, JavaScript, Node, React, Express, MySQL, Agile Development, Document Object Model (DOM), APIs, WebAPIs, User Authentication, Heroku, GitHub, Jest and SEO.

EXPERIENCE

NUDI | Founder
MAR 2021 - PRESENT, TORONTO, ON

- Developed responsive and user-friendly web applications using React, JavaScript, SaaS and HTML
- Created and implemented a digital marketing strategy using social media platforms such as Instagram, Pinterest, Google Analytics and SEO generating 98K clicks and $3k in monthly sales.

Toronto Public Health | Support Trainee
DEC 2020 - DEC 2021, TORONTO, ON

- Accountable for direct client support assembling information about the COVID-19 vaccine.
- Monitor vaccines and patients submitting data to management

Scotiabank | Universal Banker
MAY 2019 - AUG 2020, TORONTO, ON

- Maintained a positive attitude and professionalism, even in high-pressure situations, which contributed to a positive work environment and increased 40% customer satisfaction leading to being invited to Women Leadership at Scotiabank

EDUCATION

BrainStation | Diploma, Software Engineering
APR 2023 - DEC 2023, TORONTO, ON

Centennial College | Diploma, Pre-Health
SEP 2015 - 2018, TORONTO, ON

PROJECTS

Front End Developer | In-Stock
OCT 2023, BrainStation

- I had the opportunity to collaborate with a talented team of classmates on a full-stack application project. This project was a testament to our collective abilities and allowed us to create a seamless web application from start to finish. My primary responsibility was on the front-end development, and I played a crucial role in shaping the user interface and experience.
